FORM –F6

HIRING OF ELECTRICAL LOAD

(Mandatory form to be submitted by 10th October 2022)

IPF has made adequate arrangements for providing additional single / 3 phase power supply as per your requirement. The Electricity consumption charges are given below and will depend on the demanded / connected load whichever is higher as it will not be possible to arrange individual meter to exhibitor. For your additional requirements, kindly fill-up the format given below.

Mail to:
 Indian Plastics Federation,
 Email: exhibition@indplas.in

We give below details of additional Electricity Load:

Temporary power supply for erection and Fabrication can be made available from 22nd November, 2022 onwards.

Electrical Load during Exhibition for Lighting & Machinery (From 24th–28th November 2022):

Single Phase	3Phase	Cost per KW		
		Rs.2,500		
			<i>Total</i>	
			<i>GST@18%</i>	
			<i>Grand Total</i>	

- Note:**
- Shell Space will have Hall & Stall Lighting. As such, participant booking Shell Space should only indicate power requirement for running the machines.
 - Bare space participants should include stall Lighting Load with the machine load while applying for Power.
